A Message from the President:

I hope everyone had a great Thanksgiving...and now with Christmas fast approaching I want to remind everyone to remember what this season is all about.. I know we all have a "to do" list and it can be overwhelming. We are the Captain of our own ship and we all know our limitations. Take time each day to count your blessings....MERRY CHRISTMAS!

President Laurie

Happy Holidays!

A big thank you to all the lovely ladies above who brightened our Halloween season with the spirit of the holiday! Also, thank you to Jill for passing along photo evidence of this treat!

Thanksgiving has come and gone, and we are well on our way to Christmas! Generosity is in the air and the Boys and Girls club is feeling it! They recently had an excellent fundraiser which will serve the children in Port Angeles and Sequim well in the coming year.

The Boys and Girls club Christmas party put on by the club is right around the corner! Present wrapping and party decorating will be going on the week leading up and the party itself is on December 9th. This is one of my favorite events all year as the kids have an amazing time and the whole event fills me with the holiday spirit.

The next week (December 16th) will be the annual Jet Set Christmas meeting. There will be a white elephant gift exchange and much laughing and high spirits.

Don't forget there will be a break (no meetings!) the last two weeks of December, so we will not meet again until January 6th.

The Big Event!

May might seem far away, but our May 21st fundraising event is really just around the corner! The last Ways & Means Other committee meeting was well attended and we are underway in creating a great event this spring! We are endeavoring to have tickets printed for the event in time to hand out for sale before the holiday break.

This year's fundraiser will be held at, and catered by, C'est si Bon restaurant. The seating capacity is 130, which is how many tickets we are having printed. Each costs \$50 and includes a salad, entrée, coffee & desert as well as admission into the event itself. I know we will all do everything we can to sell every ticket!

An online resource is being put together to help us all gather donations for the fundraiser auction easily and efficiently.

The whole club is coming together beautifully on this and we're bound to have a fantastic time and a successful fundraiser!

We strive to get Jet Streams put together just in time for each month's business meeting. If you have stories and / or photos to share with the group, please send them to me (Margaret) and I'll get them in the next issue! Setting up a committee meeting or event? Let me know and I'll add it to the calendar
