

# Jet Streams

*Soroptimist International Port Angeles Jet Set*

## The Big One!

May is just around the corner and that means it's time to start gearing up for our big annual fundraiser!

Anna is taking the tickets to the printer and they will be available for sale any day now! The tickets cost \$50 each and include dinner with salad, a steak, seafood, or vegetarian entree, dessert, coffee, and gratuity. No-Host wine and cocktails will be available throughout the evening.

Let's talk Auction! If you go to [www.sijetset.com/resources](http://www.sijetset.com/resources) - the password is jetsetter - you can find links to:

- A solicitation letter
- A certificate of receipt for donations
- The club's donor spreadsheet

On the page you can see a window into the donor spreadsheet that opens for editing if you click the link above. There's a form on the right of the window where you can put in information on a new donor!

Our goal is to sell all 130 tickets and to give our generous guests a wonderful evening filled with delicious food, good music, quality auction items, and the opportunity to get to know us as a group and as individuals.

More Ways and Means meetings to finish planning this event are coming soon!

Basic information on event, as well as a few pictures of the venue, can be found at [www.sijetset.com/events.html](http://www.sijetset.com/events.html)

## A Message from the President:

Where does the time go? Here it is the end of January 2011. As I take a look at our calendar and upcoming events, I again realize what an outstanding group of women we are.

It has been awesome to welcome many new members and how each and everyone have joined in the activities of the club. Just remember as individuals you can't do it all, but as a group we ROCK. Take a look at the upcoming events and join in the activities that tug at your heart.

It is truly a privilege to be part of Soroptimist Port Angeles, Jet-Set!

*President Laurie*

## Say No To Slavery!

January is designated as our Anti-Human Trafficking month. As you can see in the photo above: Soroptimists from Jet Set and Noon Club got together to raise awareness of the issue in our community.

Many don't realize what an incredibly real issue this is in Washington State. It is a problem that far too many folks are ready to disregard as happening far away from our communities. These great ladies got out there in the bitter January cold to spread the word with smiles on their faces.

This Soroptimist is very proud to be part of a group so fearless and committed to doing what's right instead of what's easy!

The Youth Committee, lead by Martha, prepared to serve up to 130 children. The party had 100 attending children. The remainder of the supplies and gifts were distributed through the Food Bank and First Step.

Each child had their picture taken with Santa, received both fun and useful gifts, were well fed, and entertained by music and games with their group leaders – the college men's and women's basketball teams.

## Boys & Girls Club Christmas Party!

It's a favorite tradition of the club to put on a special Christmas Party at the Boys & Girls Club here in Port Angeles.

The smiling faces are more than enough incentive to keep this tradition alive, and this year was as rewarding for those who participated as ever!

This year's gifts included colored satchels, fleece vests, books, toothpaste, toothbrushes, candy, and tons of other great kid stuff.

We strive to get Jet Streams put together just in time for each month's business meeting. If you have stories and / or photos to share with the group, please send them to me (Margaret) and I'll get them in the next issue! Setting up a committee meeting or event? Let me know and I'll add it to the calendar
