President's Message

Ladies, the installation party “Down on the Farm” was wonderful. I was talking to my Father about the party and the theme, when he mentioned overalls with holes are a hot item in Iowa, as one of his caregivers wanted a pair from him. Well, since I’m a favorite daughter, guess who beat out the caregiver for the pair? Even if they were way too big! It meant a lot to me to see the John Deere outfit, the Pooh overalls, and the many farmer hats and farm animals and seeds that night. It was

also wonderful to see so many of you there to celebrate the installation of my being your President this coming year. Lisa Wyatt did a grand job in installing the officers and Board Members. Mary Galvin’s “Farmer’s Prayer” was awesome. The Social Committee started this year off with a very enjoyable installation party for us. (Who got the radish seeds?)

We have had the Committee sign up sheets out early. Thank you all for signing up early for your Committee. The Finance Committee has done their work and we do have a budget for this coming year. Michelle Pace is again doing the newsletter. The Committee’s are listed in this newsletter. If you have not signed up and/or volunteered to be chair of your Committee, your Committee will need to meet and select a chair. Or, I’ll be calling you and begging!

I also want to congratulate the Venture Officers. Teresa Beatty did a very nice job for their installation program. Clean campaigns were run, issues are serious and challenges are there before us to conquer. Together this is again a “can do” year.

We have August off – but not the counting ONP crew. Billie is coordinating the day crew and I’m coordinating the evening crew. If you’re available, and not being called please call either one of us. You don’t want to miss out on the fun of counting!

Enjoy your break, but be listening and watching for opportunities/projects for the coming year! Remember down on the farm – the seeds of change have been planted. A new farmer and field hands are about to nurture the crops (issues) to make them grow (happen)!

A Note from Edie Beck....

Gay Knutson, a long-time member of the PA Symphony, happened to mention to me that the symphony, when they performed in Australia, needed a contact for the symphony. The contact is always a service club that would arrange for the performance and would be able to keep whatever funds they raised. I put her in touch with Jocelyn Hanby, the wonderful lady from Melbourne that I housed and became very friendly with. She was here as the representative from Australia involved with the friendship link. Thought our members might be interested in the poster that they're using to advertise the symphony's performance.
