MESSAGE FROM PRESIDENT ANNA

Well it's been a fantastic tenure as President 2019-2020! Really, it has been remarkable to witness our club and members grow and expand; socially distancing yet increasing all forms of networking with every human being in their circle!

Amazing!! Many things we were forced to do out of necessity were not enjoyed by most: cancelling our Purse Auction, Home Tours, District/Region/SIA Conferences, other club fundraisers. Some things were embraced by many as a welcome change: online zoom meetings, seeing our members located in other states/cities, being able to meet from comfort of home. One thing is certain - friendships, belonging and working toward a common goal of investing in women & girls - WE WILL TOGETHER find a way to make these important things happen!!!

Our club's incoming leadership (Jill & Deb) as well as the consistent officers carrying over responsibilities (Martha, Traci & Marsha) will lead us to new heights as a club in 2020-2021.

I'd be remiss if I didn't thank each one of them as well as the directors (Patty, Danetta, Helen & Becky), all of whom have provided me with help whenever asked. Wouldn't have survived without you all being such a great team!

Most important in a network (beyond the cogs on the outside that make it operate) is the hub, the core, the members. You've all been solid as a rock during this pandemic. Positive, optimistic, and quite frankly inspiring!

Cheers to us all opening a new chapter in the upcoming months and year!

Anna

COVID 19 Reminders from Clallam County Health Dept

There are four key strategies we must all use to address this issue:

- ALWAYS practice social distancing
- Wash your hands frequently with soap and water,
- Clean surfaces often, including cell phones and computers,
- Follow Governor's proclamation to "Stay at Home" order.

Differences between "Social Distancing", "Isolation" and "Quarantine"

Social Distancing: Give yourself space around other people who are not sick. Six feet is the recommended distance so that you are unlikely to be sprayed by droplets from an errant cough or sneeze. Avoid things like handshakes, hugs, etc.

Isolation: If you are sick or have symptoms do not go out in public but stay at your residence and practice social distancing from other residents there. Contact your healthcare provider if your symptoms get worse.

Quarantine: If you have been, or think you have been, in contact with someone who is symptomatic go back to your residence and stay there a minimum of 14 days even if you do not develop symptoms.

Online Meetings

Due to social distancing and “Stay Home, Stay Healthy” requirements our meetings will be held online for an indeterminate amount of time. Becky McGinty will be sending out the Zoom Audio/Video Conference Information for each meeting.

Since Thursday’s meeting is our business meeting, we will need to have a majority of the club participate in the online meeting. The meeting also provides you with needed appropriate social contact to help keep you healthy in mind as well as body.

* At a minimum, please participate in the **CONFERENCE CALL**. This is the easiest and most accessible to all and can be accomplished by anyone who has a telephone. **Please know how to MUTE and UN-MUTE your phone** so as to eliminate background noise. Just call the conference number 2-5 minutes prior to the meeting.

Phone number: 1-253-215-8782 meeting ID # 568 479 991.

Alternate Phone Number: 1-301-715-8592 Same meeting ID# 568 479 991

* If you have internet access on your personal computer, laptop, etc. and would like to participate in the video conference, please see the instructions from Becky McGinty who is hosting our meetings. Please set this up ahead of Thursday’s meeting. If you cannot set this up ahead of time - please use the conference call information above, and we will work with everyone to ensure they can get setup for video conferencing in future...

If you log on from your computer, you will need a microphone and audio capabilities (speakers) If you do not have microphone/speakers - just dial the conference number above to get into audio portion of meeting. Please login to meeting 10-15 minutes before meeting start so Becky can help anyone that needs it.
