Online Meetings

Meetings will be held in person and online for those wishing to join virtually. An email will be sent out with the Zoom Audio/Video Conference Information for each meeting.

Our business meetings will need to have a majority of the club participating either in person or online. The meetings also provide you with needed appropriate social contact to help keep you healthy in mind as well as body.

At a minimum, please participate in the **CONFERENCE CALL**. This is the easiest and most accessible to all and can be accomplished by anyone who has a telephone. **Please know how to MUTE and UN-MUTE your phone** to eliminate background noise. Just call the conference number 2-5 minutes prior to the meeting.

See the most recent email for up-to-date information on logging in to the Zoom meeting by either phone or computer.

If you have internet access on your personal computer, laptop, etc. and would like to participate in the video conference, please set up your device ahead of Thursday's meeting. If you cannot set this up ahead of time - please use the conference call information above, and we will work with everyone to ensure they can get setup for video conferencing in future.

If you log on from your computer, you will need a microphone and audio capabilities (speakers) If you do not have a microphone and/or speakers - just dial the conference number above to get into the audio portion of the meeting. Please login to meeting 10-15 minutes before it is scheduled to start.
