

Soroptimist International of Port Angeles Jet-Set Jet-Streams

Volume 11

September 2018

MESSAGE FROM PRESIDENT JANE

Can you believe it is almost October already? We have fallen into Autumn with magnificent colors. As we move into the new season let us be mindful of why we do what we do.

Mission of SIA

Improving the lives of women and girls through programs leading to social and economic empowerment.

Utilizing our survey information, we are in the middle of making determinations about our membership moving forward with the **Mission** at the forefront of every action we take. Every choice we make this year is to help improve the lives of those women and girls we are supporting. We will be asking and discussing these questions among ourselves:

- How do we market our Soroptimist Jet Set Club to the greater Port Angeles community?
- How many members do we want to recruit to help us do this important work?
- What is our fundraising goal?
- How will we spend our monies?
- Will we combine committees to work smarter and not harder?
- What changes do we want to make and/or what do we want to keep as they are currently?
- What kind of training for new members do we have and/or need?

I am sure there are many other questions that are not posed above so please bring them up at our meetings for discussion purposes.

This is going to be an exciting season and year. With all our heads, hands and hearts together we will continue our good work supporting women and girls in our community, because we are:

Warriors for Women

The Soroptimist WOMAN Newsletter

Dear NWR Members:

The region newsletter is a place to share things your club does that are **different** from the norm. The info you provide gives others ideas for their clubs. For example, all clubs give a Live Your Dream Award. That's great! And it's good to put that in your club newsletter (and Facebook), rather than in the *Soroptimist WOMAN*. Many clubs have unique ways of recruiting and retaining members, or fundraising, or programs-or even public awareness. It's those uncommon and successful practices that are perfect for the region newsletter!

Remember for regular columns: Community Cheers, All Star Moments, Events, etc., submissions can be up to **200 words**. We invite you to share your ideas, suggestions or comments about the newsletter and the NWR website. Your submissions can be sent to: nwrsia@gmail.com. The **DUE DATE** for newsletter items is the **LAST DAY** of the month for inclusion in the next month.

Make sure you are following NWR Soroptimist on Facebook. Tag the region when you post about your club events! Also, Follow us [@NWRSIA](https://www.facebook.com/NWRSIA) #teamworkmakesthedreamwork.

Let's show how Teamwork Makes the Dream Work!
